## New League Benefits For You

What is one of the best avenues to build awareness about something that is going on in our industry than to place it in your own Electric League newsletter? Our newsletter goes out monthly, except in July, to our member list. We will have a feature called What's Happening that will show activities hosted by one of our members. It is optional, but if you want your event, tournament, charitable activity noticed, let us know. Do you have a position available that you need filled? Give the newsletter a try. Chances are it will catch the eye of someone who may know someone looking to get in our industry.

What do you need to do?

### To be listed in What's Happening?

Email [jmale@westerneda.com](mailto:jmale@westerneda.com) before the first Friday of each month (except July), with your activity date, activity name, the sponsoring organization and information where someone can go for more information, a phone number or a web link. The sponsoring organization must be a paid member of the Electric League, and the activity must to open to any member who receives our newsletter. The newsletter is typically emailed the third week of the month.

Do you want us to include the flyer about your event? We will for a cost of \$250 per flyer, per issue.

### To post a job opening:

You must be a paid member of the Electric League and provide the information before the first Friday of each month (except July). The job opening listing must be kept short. Include your company name, position available, who needs to be contacted if there is an interest.

This sounds great, what will it cost? Zero, this is a benefit included in with your 2017 member dues. We look forward to seeing the activities in our community!

## Don't Pass Up This Opportunity. Spread the Word!

## SCHOLARSHIP OPPORTUNITY

The purpose of the Electric League of Missouri & Kansas Scholarship Fund is to provide annual scholarships to both entering and continuing college students who are employees of member companies, their children or grandchildren.

The fund was established in 1996 to provide an ongoing service to members of the Electric League. Award or Awards will be in the \$250 to \$1,500 range.
